

A STORY OF DEMAND & GROWTH

BRISBANE'S DISAPPEARING AFFORDABILITY

As more people choose to call Brisbane home, the amount of available vacant land has dropped significantly.

The record house prices being achieved within the Brisbane local government area are being driven by a long period of low land supply. With Brisbane's population expected to boom over the next 20 years, the supply of new house and land opportunities is expected to worsen dramatically. This means Brisbane's house prices are only going to grow.
